## SILVER JUBILEE YEAR

Vol. 25, No. 6

St. Francis Preparatory, Brooklyn, N. Y.

April 13, 1962

C. Earl displays fossil collection to be entered in School Science Fair.

## Science Fair Held Tonight

The Prep Science Department in conjunction with the Galvani Society will sponsor its Annual Science Fair in the school cafeteria at 8 P.M., April 13th. This affair will provide each Prepster with an opportunity to display any project which he has worked on during the past year. Each project entered must demonstrate some scientific principle and will be judged accordingly. All of the entries will be divided into six main categories, namely: Earth Science, Biology, Chemistry, Physics, General Science and Mathematics.

The first place winner in each category will be awarded a Gold Science Trophy, while the second and third place winners will be awarded Silver and Bronze Plaques respectively. In addition to this, all the participants in the Fair will be awarded Science Insignias for their participation.

### Exceptional Projects

Some of the more exceptional projects to be displayed at the Fair, will be: Radiation of Plants by Raymond Monk of 301, Crystal Growing by John Sawina of 206, Astrophotography by Peter Jaworski of 403, A Mathematics Computer by Louis Pisano of 305, Embryology of the Chicken by Robert Ward and John Tufano of 206, Hereditary Effects in Mice by Francis Dann of 202, The Cosmobiology by Thomas Doshna of 202, Fossil Collection by Clifford Earl of 206, Metabolism of Mice by Donald Pasko of 201, The Electric Arc by Patrick Heelan of 106, and The Electronic Robot by Richard Gawlik of 102.

### Parents are Invited

All the Prepsters and their parents are invited to attend this affair, which will be judged by the Dominican Sisters of St. Albert's and St. Bartholomew's High Schools and the Christian Brothers of Bishop Loughlin High School. The presentation of awards will be made by Brother David on the same night as the Science Fair.

A special note of thanks must be given to Brother Marius, who is acting as Chairman of the Science Fair, and who has been busily engaged during the past year in writing a Teacher's Handbook of Biology. Brother has also been recently appointed as a member of the Biology Research Project Committee of the Brooklyn Diocesan Science Council.

## Music Dept. Rehearses Annual Spring Concert

Spring is in the air once again and it finds the Music Department busy with preparations for the Eighteenth Annual Concert which will be held at the Brooklyn Academy of Music on the evening of May 18. No matter what your taste in music, you will find what you like at this year's concert.

The Band will start the ball rolling with *The William Tell Overture* and *The National Emblem March*. The Glee Club will follow with *The Alma Mater*, the very profound and solemn *Jesu Salvator Mundi*, and *Panis Angelicus*. There will be a violin solo in tribute to Fritz Kreisler after which will continue with the Revolutionary War Ballad of *The Girl I Left Behind Me*, the *Alma Mater* of West Point, *Aura Lee*, and a song which was popular in the 1900's, *The Drum*.

The Orchestra will start off the second half of the concert with the *Serenade* from *Eine Kleine Nactmusik* by Mozart, and a Russian Dance called *The Csardas*. Following this will be a tribute to parents by the Glee Club which will include such selections as *Daddy*, *My Buddy*, *Mother*, *Beautiful Lady*, and *Be Kind To Your Parents*.

The Prep Varieties will be very diverse this year. The Dance Band will play *Sing, Sing, Sing*. The guitars will strum out *Perfidia* and *Say Si Si*. The pianos will present their interpretation of *In The Hall Of The Mountain King* from the *Peer Gynt Suite* and the Glee Club will sing *Lizzie Borden*. The concert will conclude with the traditional *Blessing Of St. Francis* and the *School Song*.

Taking a brief respite from their preparations for the concert, the Band and the Orchestra under the direction of Mr. Rydeski and Mr. Foster respectively, went on to bring honor to St. Francis when they received ratings of excellent at the CYO Music Festival which was held at the Walt Whitman Auditorium of Brooklyn College. They competed against the orchestras and military bands of the other Catholic High Schools in the Diocese of Brooklyn.

Brothers Louis and Benignus, O.S.F., congratulate each other on their twenty-fifth year of religious profession.

## Brothers Louis and Benignus Celebrate Silver Jubilees

On April 28th, Brothers Louis and Benignus, members of St. Francis Prep's Faculty will celebrate their Silver Jubilee of Religious Profession. A Solemn Mass of Thanksgiving will be offered at 11 A.M. in St. Vincent de Paul's Church on North Sixth Street to honor this occasion.

The Celebrant of the Mass will be Rev. Thaddeus Hoben, Pastor of St. Vincent's Church. Rev. Herbert Redmond, Assistant Spiritual Director of Students at St. Francis Prep will be Deacon, and Rev. Michael J. Fleming, Director of C.Y.O. for Queens County, will be Sub-Deacon. Rev. Joseph Mullen, Assistant at Holy Ghost Parish, will deliver the sermon. The Senior Members of the Third Order will serve the Mass and a group of Prepsters under the direction of Mr. Foster will furnish the music. Thomas Bartosiewicz of Class 101 will accompany the choir on the organ.

Attending the Mass will be representatives of Religious Orders, Diocesan Clergy, Sisters, Brothers, Relatives and Friends of the Jubilarians. Following the Mass, receptions will be held in the Cafeteria and Gymnasium for the invited guests.

Brother Benignus, born in Fall River, Massachusetts, entered the Franciscan Brothers in 1935. He received the Franciscan Habit in 1936, was Temporarily Professed in 1937, and Life Professed in 1940.

Brother has attended the Brooklyn Diocesan Normal School, St. John's Teachers College, and Villanova Summer School.

In his twenty-five years at St. Francis Prep, Brother has taught Religion, Latin, and English. He has also held the positions of Prefect of Discipline, Attendance Officer, Moderator of the Music Department since its origin eighteen years ago, and Moderator of the Third Order for the past twenty years.

In the Community, Brother has been Moderator of the Ladies Auxiliary of the Franciscan Brothers for the last twenty years.

Brother Louis, a native of Brooklyn, began his schooling in St. Paul's Grammar School on Court Street in downtown Brooklyn. He entered the Juniorate, the Franciscan Brothers' High School for aspirants to the Community, in 1932. He entered the postulate in 1935, was received in 1936, and Temporarily Professed in 1937. Brother took his Final Vows in 1940.

Brother Louis has a Bachelor of Science Degree in Biology and Math from St. Francis College. He has also earned his Masters in Math from St. John's University.

Brother has spent the last sixteen years at St. Francis Prep. During this time he has taught Biology, General Science, Physics, Algebra, Geometry, English, and Religion. Brother has also been Moderator of the Galvani Society, Dance Committee, Math Club, Bowling Team, Swimming Team, Power Boat Squadron, and the Aquatic Club.

## Jack Paar:

# Is He Really Right?

On March 30th, amid the weeping and wailing of housewives and shouts of joy from frustrated husbands, Jack Paar left television, leaving forgotten in a wake of sentimentality the most important and controversial issue ever brought to the public in recent years. The issue is whether or not any field of reporting has a right to change a story for any purpose.

The method is simple; the justification for it quite a bit harder. The most frequently used means is opinionating a straight news story by inserting the views of the reporter. The only place for opinion is in the editorial and any story expressing opinion should be labeled so. The second, but more dangerous form of truth dilution, is quoting out of context. More dangerous because it can lead to a libel suit, but more devious because a "forgotten" word or even comma can lead to the destruction of a man's reputation, quoting out of context is the lowest trick in a yellow journalist's bag of tricks. The third, but far less dangerous, I hope, is the rumor. A big name reporter, and I use the term loosely, reports that it is rumored that; what comes after that is usually scandalous trash. I hope that of

the three means, this is the least effective in our educated society, for if it isn't, it is a sad reflection upon the public that they would retrogress so much as to believe backyard trash and gossip. And believe me, that is all it is.

The most common excuse given for the justification of opinionation is patriotism, or always showing our best side. This isn't patriotic, it is traitorous. It is traitorous not only to our American concept of equality for all, no matter what they think, but also treasonous to the news profession. Since the trial of Peter Zenger, the press has been the representative of truth in our society.

Since the rights of the press were established in the country by the trial of Peter Zenger, the press has carried on the high standards which it represents and fulfilled the duties attached to these standards. The use, today, of the aforementioned yellow press tactics threatens to end this glorious heritage. The only answer to this danger is for the press to remember that printing the truth is a duty and a privilege that must be followed at all times, not just when convenient.

### FAMILY COMMUNION BREAKFAST

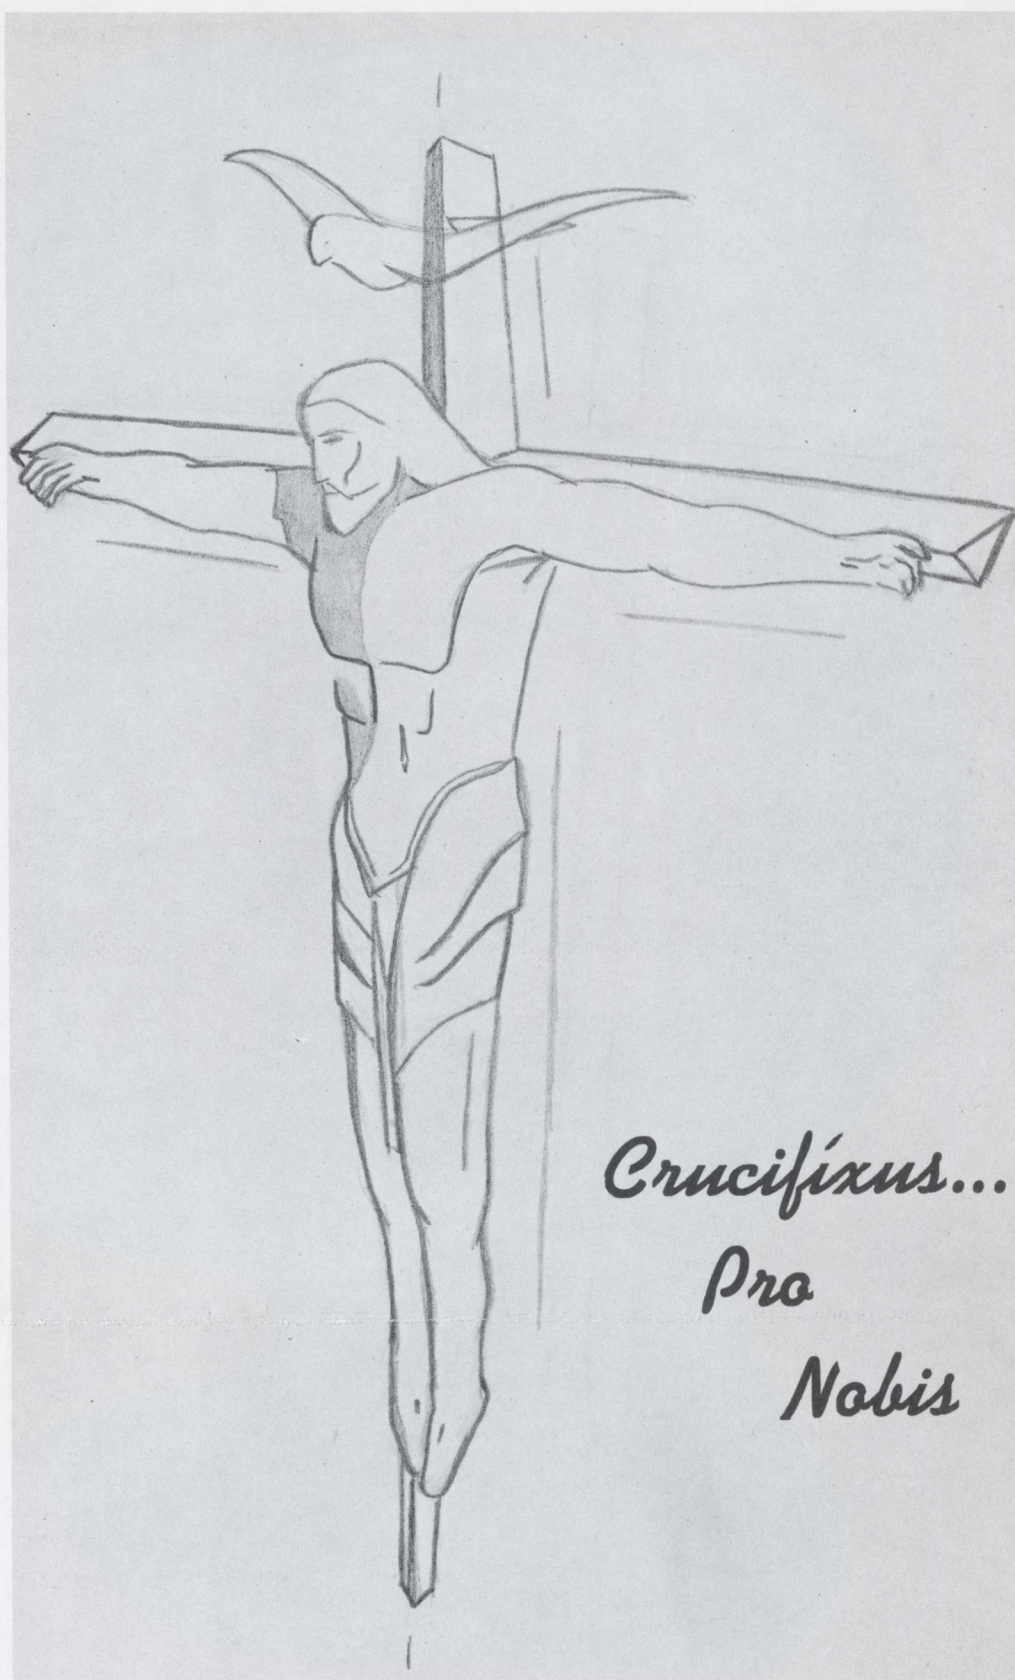

The Fathers' Guild will sponsor their Annual Family Communion Breakfast on Mother's Day, May 13th.

The Holy Sacrifice of the Mass will be celebrated at St. Michael's Church, 34th Street, West of Ninth Avenue, in Manhattan at 8:00 A.M. The Breakfast which will immediately follow the Mass, will be held in the Grand Ballroom of the Statler Hilton Hotel, 7th Avenue and 33rd Street in Manhattan.

The guest speaker at the Breakfast will be Vince Lombardi, coach of the Green Bay Packers. In addition, the program will include entertainment by the Prep Glee Club and Band, plus the presentation of the Alfred E. Powers and James P. Kiley, Jr. awards to the outstanding athletes and musicians.

Tickets are now available at \$4.00 per person which may be purchased by contacting the Prep before May 7th.

*Congratulations To  
Brothers  
Louis and Benignus  
On Their  
Silver Jubilee*

*Crucifixus...  
Pro  
Nobis*

Today, more than ever before, the world needs to realize that it is in Christ's Crucifixion that we find salvation. It is not uncommon to see joyous people attending Mass on Easter Sunday, without understanding that it is the solemn death of the Savior that is the very essence of the joy of the Resurrection.

For the Son of God had merely to spill one drop of His Divine Blood to achieve atonement. But to give an example for all mankind to emulate, the Savior chose to suffer the most terrible mode of execution that civilization has devised. The Lamb of Innocence, bearing the brunt of all sin committed against the Triune God, at the sixth hour mounted the gibbet of the cross for the redemption of mankind. And through this action of divine love, allows all men to attain the Beatific Vision.

Men are apt to forget that salvation is an act of mercy, not justice. For our very existence is not merited, but only permitted us as a time in which to earn eternal life. It is a truth that God lends us life, and we are bound in justice to adore Him for this loan. Man, however, rebuked God in the Garden of Eden. How absurd that the son should rebel the Father! But, in this instance, the father was so perfectly good that He sent an envoy, His Son, who was not only rejected by man, but derided, spat upon, scourged, humiliated and crucified. How absurd that He, Existence Personified, should be destroyed by His own creatures.

But the Son of man knew what cup of sorrow He had to drink. How humiliating that God Himself must be delivered into the hands of men to suffer a slow death. Would not one of us strike down these men with fury? Since we are men, probably yes. But Christ was both God and Man, and in that mystery of the Hypostatic Union, lies the key to His conquest. For the Evangelist writes: "And going forward a little, He fell prostrate and prayed, saying, Father, if it be possible, let this cup pass from me; yet not as I will, but as thou willest." Here was His nature to rebel, to evade the final humiliation as the beads of blood rolled from His pores. He shows us His Divine Nature by silently handing Himself to the executioners. He would suffer unto death so that His love for man, His creation, would gain for them Paradise Eternal.

Then this was the achievement of Jesus Christ, in the combat between Natures. Not in the simple clear-cut miracle of the Resurrection, but in Divine rebellion against human rebellion. Surely, we comprehending His victory, will cleave to His words: "Be of good heart, I have overcome the World." This is truly what He did, and therein lies His Eternal Triumph.

### ANNUAL SWIMMING DINNER

The Annual Swimming Dinner will be held in the Prep Cafeteria at 5 P.M. on April 29th.

Among the Guests of Honor will be Rev. John T. Heinlein and Miss Lynn Burke. Rev. John T. Heinlein, a former Prepster, is in charge of the Pre-Can Conference of the Diocese of Rockville Centre. He will receive the Rev. Brother Celestine McGarry Memorial Trophy, which will be presented for the first time. Miss Lynn Burke, Olympic Record Holder, will be the recipient of the Annual St. Francis Prep Swimming Award.

All the members of the Swimming Team and the members of the Power Boat Squadron will receive awards for their year of participation.

Tickets for this affair may be obtained by contacting the moderators of the respective clubs involved.

## "P.P.P." Drive Gets Underway

The Music Department of St. Francis Prep recently launched a stamp drive for the purpose of raising funds to purchase a new school piano.

Thus far the response to the Prep Piano Project has been tremendous. This indicates that with continuing support from the families in the Prep, we will soon have a new piano for the use of the Glee Club and our Pianists. Brother Becket, moderator of this drive, announced that any kind of trading stamps may be brought in, not only those mentioned in previous announcements.

It is known that many Prep families have begun to save stamps received from groceries, gas, and Easter clothing and many other items for this project. As they accumulate they can be brought in to be deposited in the box in the Main Entrance. The drive will continue until the end of June, and cooperation of the student body and their families in saving stamps for this new school piano is greatly appreciated.

Robert Ward deposits stamps in "P.P.P." box.

Bob Cresci gets the jump on Joe Mosca during final game of Senior Intramurals.

## School Keglers Finish Tops In City Playoffs

The Varsity Bowling Team finished the season successfully with a Third Place position. This was quite a jump from its next-to-last place last year. The first place spot was captured by a strong Xaverian Team and second place went to a very fortunate Loughlin Team. The Terriers were edged out of second place by a half point which would have placed them in the City Playoffs.

## Math Team Finishes 4th

On March 17th, St. Francis Prep placed fourth in the St. Francis College Interscholastic Mathematics Contest. The Prep was represented by Robert Culkin, Francis Higbie, Ralph Giordano, Terence McGuinness, John McNoboe, and John Rollino.

Team score was based on the five best scores from each school. John Rollino, Terence McGuinness, and Robert Culkin took 5th, 8th, and 19th places in individual standings. The examination consisted entirely of intermediate algebra, plane geometry, trigonometry, and advanced algebra. Our Mathematic Department hopes that next year's Seniors will continue what this year's team started.

### Under Classmen Contend

In recent Mathematical Contests on the various grade levels sponsored by the Mathematics Department of the Prep, the following deserve recognition for their outstanding performances.

Juniors: Winner: Louis Buono 303. Honorable Mention: Richard Belcheck 301; John Daley 302; Leon Jackson 301.

Sophomores: Winner: Richard Murphy 201. Honorable Mention: Franz Walkow 201; Thomas Kiely 201; John Festa 203; William Greene 201; Stephen Hughes 201; and James McManus 207.

Freshmen: Winner: Kevin Westley 103. Runner-up: James Welling 102. Honorable Mention: Arthur Alloggiamento 103; George Sullivan 103; Joseph Sicree 103; Edward Romeo 103; Neil Falco 103; Robert Allison 102; Frank Graziano 104; Daniel Romanello 106; and Ronald Wiepaz 106.

### Class Intramurals

At the recent Bowling Intramurals Class 206 copped first place, while Classes 403, 102, and 209 followed in that order.

### Father-Son Tourney

On March 25th, the second in a series of Father and Son Bowling Tournaments was held at Lence's Ridgewood Lanes. Winners of this tournament were: J. Arthurs, first place; J. Kilinski, second place; and T. Mulkazey third place.

### J.V. Captures Crown

As this edition of the Seraph goes to press it has been learned that the Junior Varsity Bowling Team was successful in capturing the City Championship. The team gained this honor by defeating Power Memorial of the Bronx on Friday, April 6th.

### Star Bowlers

High bowlers in the first game of the finals were: Lohr with 223, Robatti with 204, Wuchte with 194, Harker 185, and Engel with 171 for a team total of 977. Individual scores in the second match of the finals were as follows: Harker 232, Engel 207, Wuchte 178, Robatti 165, and Lohr 142 for a team total of 924.

The Junior Varsity received a bid in the finals after defeating St. Helena's of the Bronx on April 3rd, in the semi-final round.

## 401 Bows To 404 Cagers

The Senior Basketball Intramurals were concluded on March 27th, with the 404 A Team soundly defeating Class 401 by a score of 38-26. Leading the cage champs were Dennis Barry with 20 points, and Ed Salvinski and Don Gleason with 9 and 6 points respectively. Out in front for the "scientists" were Ralph Giordano with 7 points, Paul Fitzpatrick and Tom Byrne with 2, and Dom Indindoli, Bud Cresci, and Andy Vasiotto with 4 points each.

The game was very even in the first half as each team matched baskets for an 11 all score at the half. In the second half, however, the coaching from the sidelines and the fouls of 401 led to a breakaway by 404. The biggest fouler of the game was Ralph Giordano who drew his fifth foul in the last quarter. The tremendous cheering from the 401 bench failed to urge their quintet on as 404 scored heavily in the last two stanzas, 27-11. In the preliminary games 401 knocked off 402 by a score of 42-25 while 404 A defeated 403 by 49-28 and 405 by 52-51.

## Varsity Nine Prepare To Defend CHSAA Title

On April 18th, St. Francis Prep's Varsity Baseball Team, defending CHSAA Champions, will take to the field against Bishop Loughlin as the 1962 season gets underway. The Prep will position basically the same Championship Team in the eight home contests and six games on the road.

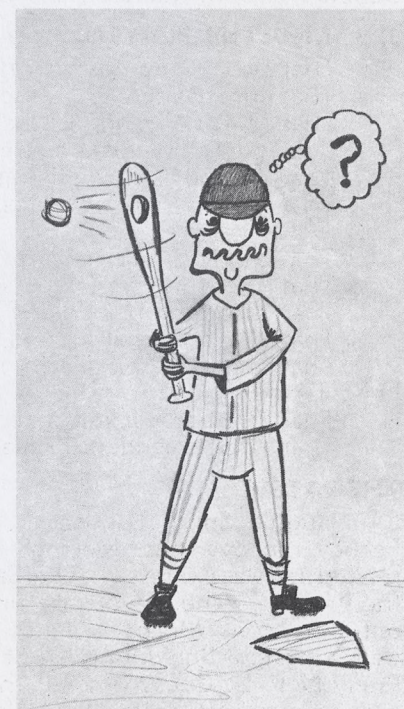

Some of the returning players will be: Len Masucci at first, Will Andrejko at the keystone, Emil Zullo at short, Paul Speckenback at third, Tom Bongiorno in left-field, Charlie Pergola in right, and Al Sabini behind the plate. No new players have made the jump from the Junior Varsity, but Mike Callahan is expected to do a more than adequate job in his first year on the Varsity Squad.

Besides the fine defense of the Red and Blue, there are many fine hitters. Among the outstanding are: Len Masucci, Andy Iacenda, Paul Speckenback, Emil Zullo, and Al Sabini. Last year Zullo and Sabini hit in the low 300's while Masucci batted in the 290's.

The pitching staff is especially strong this year. Led by Paul Speckenback, who earned a 6-2 record last season, the staff includes Joe Martin, John Gibbons, Frank O'Neill, and Fred Lopatynski.

The Junior Varsity Baseball Team started its season schedule this past Tuesday, April 10th, when it met Cathedral. The second game of the season will be played against Molloy.

Returning to this year's team are the following: Kerrigan at first base, Mareth at third, and Zizzo at second. Chin and Kowalski return to the pitching mound while McClurg returns to catch for them. A returnee to the outfield is Juliano. Brother Andrew has once again assumed the position of Moderator and Coach.

# PREP PROFILES

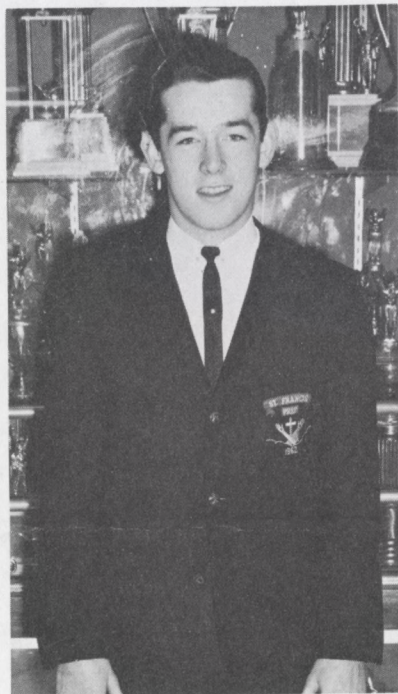

by W. Anderocci

**Anthony LaFortezza—405**

Tony comes to us from Ridge-wood and the Parish of St. Matthias. He's been on the Bowling Team and the intramural program for two years. He's also been in the Dramatic Society, Glee Club and is the Exchange Editor for the Seraph for the past two years. Tony doesn't plan on a college education in the immediate future, however, he will study acting and plans to enter Show Business. We'd like to wish him luck in all his endeavors. As for girls, Tony loves them all.

**Andy O'Sullivan—404**

Andy commutes to the Prep from St. Peter's Parish in Red Hook. He's been a four year member of the Football Team, mainly because the team practices in his back yard. He also participated for four years in the intramural program. Andy is one of the more popular Seniors at the Prep. He's been a class officer for three years and has been on the Junior and Senior Prom Committees, and has had lunch on Brother Mario since September. Andy plans to enter St. Francis College and Major in Accounting or Business Management. His management of Diane seems to be fine.

**Mike Callahan—403**

Mike comes to St. Francis from St. Patrick's Parish in Long Island City. Mike has gained recognition as "the Chomper" with his four years on the Football Team. He's also taken part in the intramural program while at the Prep and will add his "Big Bat" to the Terriers line-up this year. Adding brains to brawn has not been a difficult accomplishment for Mike. He's been a four year member of the Optimate Society, has participated in the Honor Scholarship Group and has been a Vice-President of his class for two years. Mike is also presently working on the Cafeteria Squad. In the fall, Mike will enter Manhattan College for a Civil Engineering Degree. When it comes to the better things of life, Mike makes use of them as well.

**Andy Iacenda—403**

St. Catherine of Alexandria in Boro Park sends Andy to the Prep. Andy is one of a handful of very versatile Prepsters. He's been on the Baseball and Football Teams for four years and the Field Events Team. He's been on the Dance Committee for two years, Young Christian Students and Student Council. Andy also writes for the Seraph and has taken an active part in the intramural program for four years. Andy has his mind set on entering the United States Merchant Marine Academy at Kings Point ever since he saw Renée making eyes at a subway Sergeant from Xavier.

**Ralph Giordano—401**

Regina Pacis Parish in Boro Park boasts the "number one" man in the Senior Class. Ralph has been the outstanding student in his years at the Prep. He's a four year member of the Principal's List, a statement not afforded to many Prepsters, a member of the National Honor Society and Scholarship Club. Ralph is not all studies as the boys in the poolroom can attest to. Besides being the Boro Park Billiard Boss, Ralph has been a four year participant in the intramural program, a member of the Galvani Society, Math Club, Friary Squad and the Freshman Basketball Team. Ralph has also been a Class President and a Treasurer. When Ralph goes to Manhattan College for Electrical Engineering, the Prep and Brother Theodore will miss him. No girl has captured Ralph's heart since Annette gave him the cold shoulder.

### AT THE PROM . . .

As we approached the front door of the Club we noticed Brother Gratan selling left over copies of the Seraph. We arrived inside and found Benny Noonan twisting to a waltz. We saw Mr. Monaghan disagreeing with the waiters. Suddenly we spotted it, yes, there it was, the black sweater worn by Emil Butch and it still had the two holes in it. As we rushed to the telephone booth to make an important call we overheard Rich Cefalu telling some girl that he was tied up for the night. We didn't tell Rich that later on he would receive an award for being the Prep's biggest playboy in recent years. There was a roar from the back and we noticed that Ralph Giordano's "Why Dance Trick" was going over big. We saw Mr. Stenger and Hughie Smith talking together but we couldn't figure out who was Mr. Stenger. While everyone was dancing their eyes were drawn to a sign on the wall which said, "McGovern's is miles away." Denny Barry wasn't dancing as his arm was still tired from the shooting he did in the Basketball Intramurals. Don Gleason was there with his father who was coaching from the sidelines. When the time came for the Grand Promenade, Brother Killian stopped everyone and gave a marching lesson. Gerry Strype was also there with his coolie, Al Pizziment. In the other section we saw Mike Callahan, "The Ipana Kid," bucking his way toward the table. In general a good time was had by all, especially since this was a dinner-dance and turkey was served as the main course.

### GRADUATION GIFTS . . .

Being that graduation will soon be upon us, we would like to give away some gifts to our worthy Seniors and Faculty Members.

To Marty Flanagan, a jar of mayonnaise.

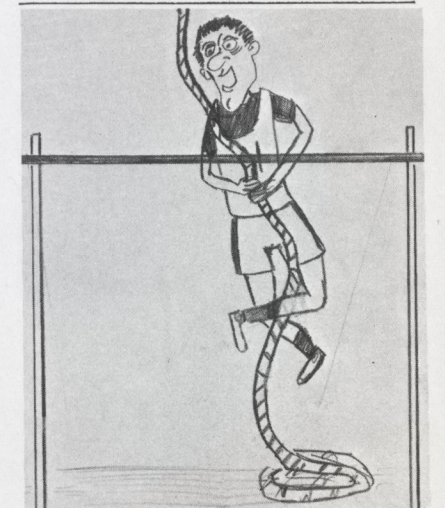

To Mike Butch, a trip to the moon.

To Andy Iacenda, a barber's kit.

To Joe Schneider, an official . . . button.

To Mr. Morrissey, a pair of boxing gloves.

To Ed Donohue, a box of sleeping pills.

The Track Team never told us it was this easy.
